

GREENSTREAK GROUP, INC.

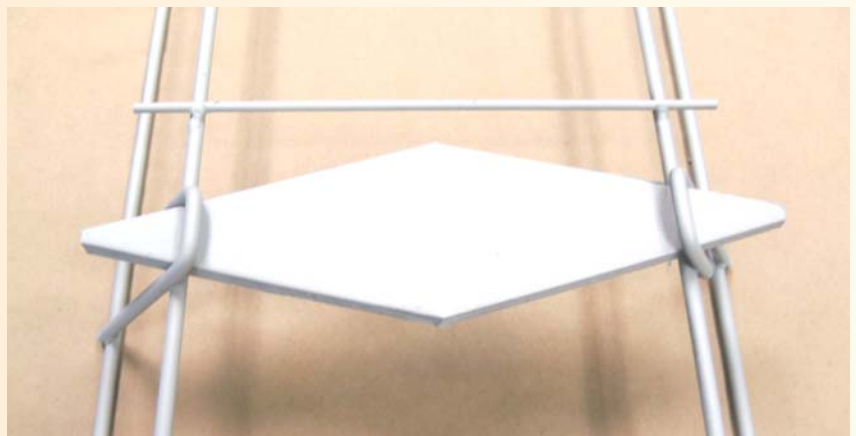

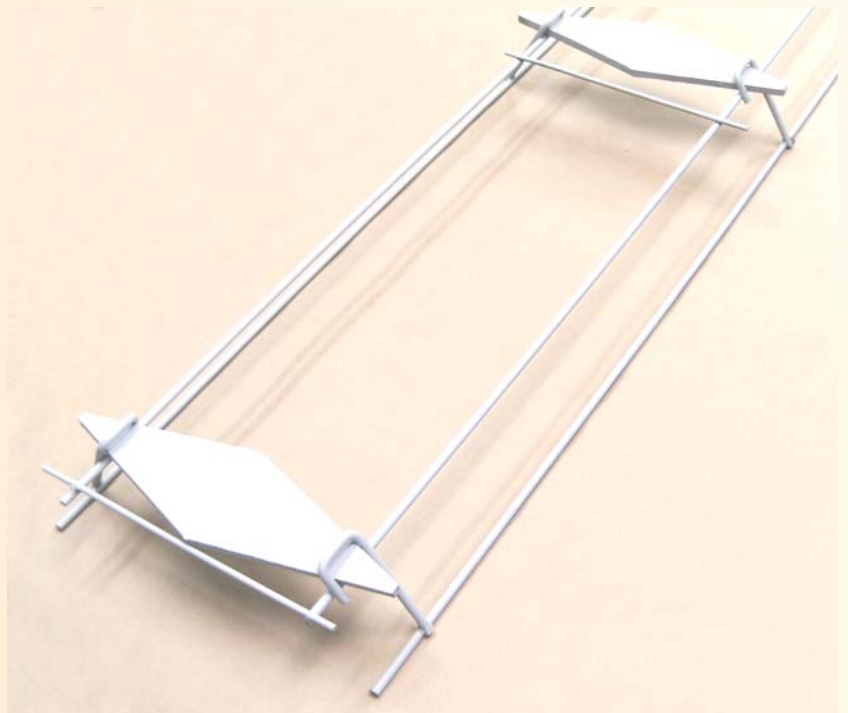

The Makers of *SPEED DOWEL* bring you

DOUBLE TAPERED Basket

U.S. Patent Numbers for SPEED DOWEL
4,733,513 and 6,145,262

***You now have a
CHOICE!
Greenstreak's
Double Tapered
Basket is the smart and
economical choice for plate
dowel baskets.***

- Engineered to provide optimal use of steel
- A tapered plate dowel for saw cut contraction joints
- Draft angle of tapered plates minimizes restraint due to horizontal shrinkage
- Allows the slab to move horizontally in both directions
- Increased surface area to reduce bearing stresses on concrete
- Shipping wires do not have to be cut during placement

Contact **Greenstreak** for additional Dowel Systems and solutions for any type of joint on your next project!
